Visiting

If you want to visit your loved one, please make an appointment. That way we can have your loved one ready for the visit and we also must monitor the number of people in the building at one time. Call Amber in Activities to set it up.

Call Amber at 763-432-8129 Please wear your face mask and shield or eye protection as it is still mandatory. If you are not compliant, you will be asked to leave. Even though we have had the second vaccine we still have to abide by the governor's rules. You also have the option to do a virtual visit.
