**MEET GARDEN SUITES RESIDENT: LORENE LOSCHEIDER**

John & Margaret Schlegel welcomed their daughter Lorene on May 9th 1922 in Whitehall, MO. John worked at a Logging Camp in Bend, Oregon before they moved to Montana and Margaret was a wonderful housewife. Lorene had one sister Frances who she adored. At the age of 9, their family moved to Minnesota where she and her sister attended an all-girls school in Little Falls, MN. Lorene's favorite subject in school was math.

On November 20th 1945, Lorene married Peter Loschedier. Peter was a home builder in Minnesota, and Lorene was the perfect sidekick for Peter; becoming the interior designer for all the homes Peter built. She absolutely loved decorating and making rooms look elegant. Lorene & Peter loved traveling to Acapulco where they had a timeshare. They also enjoyed visiting Christ The Redeemer in Rio De Genaro. While there, they prayed and bought a giant Rosery, which is currently hanging in her room. Lorene & Peter lived in Hopkins to raise their children. They have 3 sons: James, Michael, & Gary, and 1 daughter named and Judy. Lorene loved to watch her children play sports, especially baseball because one of their sons was the pitcher and the another son was the catcher.

During her free time Lorene loved to dance. Lorene and Pete joined a Dance Club at the Medina Ballroom where they would Waltz, Tango and Swing Dance together. The club had 42 members and they always had a wonderful time together.

Today, Lorene is a proud grandmother to 7 grandchildren and 12 great-grandchild. She loves her sweets, especially chocolate, and loves to visit with her friends.
