June is going to be busy! There is a lot to look forward to. Residents will also get a chance at throwing a line in and hopefully catch a big one on Lake Pulaski three times this month. In honor of all the wonderful fathers who were/are in our lives, we invite all men that live at The Glenn for a Father's Day root beer float on June 17th at 10:00 am.

We are excited for June! With the warm weather we get to have a lot of fun musicians and get to go fishing on Lake Pulaski.

Lastly, If anyone is interested in volunteering to help with outings, please contact Amber, we would love for you to join us.

Executive Director Corner Jen

Every year, we set aside the third Sunday in June to celebrate fatherhood. We honor our dads with barbecues, picnics, cards, and gifts. Consumers are predicted to spend over 12 billion dollars on Father's Day. But the surprising truth is, Father's Day has only been officially recognized in the United States since 1972. I have been blessed to be able to work with some amazing fathers at The Glenn every day and I hope that everyone gets to celebrate this Father's Day.

Q: Why did the chickens try and escape?

A: They felt cooped up.

Family Council will meet on Wednesday June 15th at the Assisted Living in the Private Dining room at 12 pm. All are welcome! Jen, our Executive Director is hosting and would love to have you come and ask questions and hear what is happening at The Glenn Buffalo.

Memory Care Nursing Corner

Desire, RN

dwolf@gentletouchhealth.com

Nursing is taking advantage of our low census by spending more time with our residents. Our staff is being encouraged to provide a daily activity in addition to those on Amber's calendar. The weather is getting nicer, and our residents are finally able to sit outside to enjoy the sunshine. Don't forget the hat, sunscreen and to stay hydrated!

Congratulations to all our nursing staff who are graduating from high school and college. Congratulations to: Reynah, Carlita, Bethany, Emma, Andrea.

As we move into the summer months, nursing is excited to see our on-call college staff return for summer break! I am so proud of the staff at The Glenn and the care they provide our residents every day. I consistently see and hear about the kindness they show and how many staff go above and beyond to fulfill our mission statement to, Make a Difference in the Lives of Others! As the case manager, I am honored to support this team and serve our residents in their health care needs.

Dates to note:

Vision(in-house):Monday, June 16th @ 9am

Bluestone Group A: Wednesday, June 8th

Bluestone Group B: Wednesday, June 22nd

Hi there!

Summer and warm weather is here!!

It's such a long, cold winter here in Minnesota we are excited to be able to spend some time outside!! Please call me to see if your loved one might need some new summer clothing or other needs!

That being said.. a lot of our college kids are trickling back in for work so you will see some old/familiar faces around!

Kitchen Corner

Sarah

The kitchen has rolled out its spring/summer menu and taken our trusty grill out of hibernation. We expect to serve lots of grilled goodies this spring and summer. We are also working on menu changes that incorporate a lot of fresh fruits and vegetables.

Business Office Manager Corner

Barb

bnichols@gentletouchhealth.com

Summer is here and so is vacation time. If you are heading out of town, enjoy, and remember that you can always set up for automatic withdrawal, so your rent payment still gets here on time. Any questions can be directed to Barb in the Business Office.

As summer gets off on a roll, we are also working hard at The Glenn Buffalo to move new residents into our Assisted Living and Memory Care. It is nice to see things getting back to somewhat of a normal. This month we will be participating again in the Buffalo Days parade on June 18th at 6:00 pm. We will have our King and Queen of The Glenn with us. If you know anyone who is looking for Memory Care for a loved one, please give them my e-mail address and have them request an info packet and a tour. I would love to show them around. Enjoy the warm weather!
