We have the BEST Staff and Residents!

Tuesday August 23rd we are celebrating our staff and residents with a sweet treat!

Tuesday August 23rd What's the Scoop ice cream truck will be onsite at AL from 1 to 2 p.m. and at Memory care from 2-3 p.m.

We appreciate each and every one of you!

Family Council will meet on Wednesday August 17th at the Assisted Living in the Private Dining room at 12 pm. All are welcome! Jen, our Executive Director is hosting and would love to have you come and ask questions and hear what is happening at The Glenn Buffalo

August is national awareness month to highlight the importance of vaccinations for people of all ages.

Get back on track with routine vaccines.

The CDC is a good resource for information on vaccines. Answer a few quick questions to find out which vaccine you may need!

I am excited to introduce our newest LPN and welcome Jolene Sletten to our team! Jolene has over 25 years of nursing experience she brings to The Glenn. She recently moved back to her home state of Minnesota from Wisconsin. She is originally from the Albert Lea area in southern MN. Jolene is married with 2 grown children. Her son is in the navy an in Japan and her daughter is living in Alaska with her husband who is in the Army. She enjoys fishing and being out on the lake in her boat, and she loves tending her flower gardens.

Jolene says, "I'm happy to be back home in MN and I look forward to getting to know all my new residents!"

Please stop by and meet Jolene and introduce yourself to her! She is funny and loves to talk and laugh!

Welcome Jolene!!

August in Minnesota means the spiders are getting bigger and the flies are trying to come indoors. EEEEEKKKK! Here at The Glenn Buffalo, we have a pest control company that comes in once a month for insects and critters so we should all be fine! They have sprayed the outside of the building to deter those unmentionables into finding a new home. If you are seeing anything the pest control company should know about, let us know. Otherwise, warm up those flyswatters and your aim!

Resident Service Corner

With a heavy heart, I'm sad to say that I will be leaving The Glenn Buffalo. I have had the opportunity to take care of your family members for the past 18 years and for that, I thank you and appreciate that. I was offered an opportunity that I couldn't pass. With that being said, I'd like to introduce our new Resident Services Coordinator at the Assisted Living, Brenda Ward. She started as Resident Assistant at Memory Care 6 years ago and was currently a Lead Med Care Assistant at the Assisted Living. At Memory Care, the Resident Services Coordinator is Autum Nelson, another longtime employee, who has been here 8 years, who is taking on this new role. Both of them come into this position with already a lot of knowledge and wisdom. Please contact Brenda or Autum with any questions or concerns regarding any non-nursing related matters.
