Meet Jennie Callahan: Housekeeper

Jennie was born in Boston, MA and raised in the picturesque town of Mound, MN. She brings a wealth of experience and a passion for excellence to her role at The Glenn Minnetonka. With a dynamic background in fine dining hospitality, Jennie honed her skills over many years as a professional server in prestigious establishments.

Beyond her professional endeavors, Jennie is a devoted mother to two incredible adult children, Will and Ella, who are both carving their paths in their twenties. Alongside her partner of eight years, Ryan, Jennie shares a home filled with love and laughter, where they are accompanied by their cherished companions, Ruby and Dexter, who bring boundless joy into their lives.

When she's not spending quality time with her loved ones, Jennie can often be found indulging her passions for live music at concerts, catching the latest films, or embarking on thrilling motorcycle adventures with Ryan. Her zest for life and commitment to excellence make her a valuable asset to The Glenn Minnetonka!

Attention Residents

In order to best serve each of you, it's important that we are aware of all residents who use oxygen and/or power recliners. In the event of an extended power loss, we need to ensure we know of the folks who may need additional support. Please check with the front desk to ensure you are on our list.
