## **Welcome Shelley Bergman: Community Life Coordinator**

**Hi. I'm Shelley. I was born in Denver Colorado; grew up mostly in Minnesota. grew up in between two brothers, so I grew up driving tractors doing chores, playing football, softball and fishing. Still LOVE to fish!!**

**I grew up on a hobby farm West of the Twin Cities, I still enjoy anything about farming and driving tractors, especially the vintage tractors, we did thrashing generally in August every year so I know how to swat the oats, shock the oats, pile the oats on wagons and pitch the bundles into the thrasher.**

**The saying is so true about :  
"you can take the girl out of the country, but you can't take the country out of the girl"**

**I have 3 daughters and five grandchildren who I love to spend any extra time with.**

**I still enjoy football, mostly watching football now really enjoy college football favorite team Iowa Hawkeyes. When time allows I attend my grandsons football basketball and baseball games.**

**My time here at The Glenn so far has been so fulfilling already. I hope to bring love, joy, excitement, and laughter to all.**

## Bird Rescue Crew at The Glenn MTKA

Not only do we love & protect our Residents & Staff, but we also love nature! Marketing Director Maddie & Community Life Coordinator Shelley were monumental in getting this sweet little warbler warm and feeling better. Shelly brought this sweetie back outside and off it flew home!

## Attention Residents

In order to best serve each of you, it's important that we are aware of all residents who use oxygen and/or power recliners. In the event of an extended power loss, we need to ensure we know of the folks who may need additional support. Please check with the front desk to ensure you are on our list.
