Meet Lina Ness: Front Desk Receptionist

- I was born and raised in Farmington, MN and moved to Eden Prairie with my family.
- I am the second eldest out of three siblings . I'm really close to each and every one of them. My older sister is named Hailey and she's just a year older than me, and I have two younger siblings:: one brother named Reece and a little sister named Arianna that attend Eden Prairie High School. My parents are my biggest role models; they've taught me everything I know and have been the greatest supporters in all my life evets. Their names are Reid and Marie, and they've been married for 20 years,
- I am currently pursuing my dreams of becoming a LPN, and hopefully RN as well at Rasmussen University. Ever since I was a little girl it has been my goal to become a nurse and work in the Medical Field. I've always had a passion for helping people, learning more in medicine, and giving people a great support system.
- I currently work at a Radiologist place and got promoted recently to Supervisor. It keeps me on my toes, but I love every minute of it.
- During my free time I do love reading books: my favorite book is The Great Gatsby or Pride and Prejudice. I like spending time with my friends and family. I binge watch either my favorite show or Disney movies whenever I can. I am currently loving the show called Yellowstone.
- My favorite artists are Benson Boone and Morgan Wallen.
- I recently co-parent a 13 week old little white terrier dog with my older sister. His name is Tucker. I have a family dog as well named Miles who is a Yorkie.
- I travel around a lot with my family. I am a big cruiser, so my family and I always go every year between January and February to escape the winter cold.

Attention Residents

In order to best serve each of you, it's important that we are aware of all residents who use oxygen and/or power recliners. In the event of an extended power loss, we need to ensure we know of the folks who may need additional support. Please check with the front desk to ensure you are on our list.
