- I'm 20 years old, and recently moved here from Wisconsin.
- I went to college for welding right after I graduated from High School.

I'm super excited to meet the rest of you and most of all have fun!

## Attention Residents

In order to best serve each of you, it's important that we are aware of all residents who use oxygen and/or power recliners. In the event of an extended power loss, we need to ensure we know of the folks who may need additional support. Please check with the front desk to ensure you are on our list.
